

GDVT Training Industriemeister in Mechatronics

A part-time upskilling programme to become
a certified advanced technical expert

Authentic German Master Craftsman Programme

Through the German Dual Vocational Training (GDVT) initiative, the Malaysian-German Chamber of Commerce and Industry (MGCC) is collaborating with the IHK Kassel-Marburg, B. Braun Medical Industries and Penang Skills Development Centre (PSDC) to offer the Industriemeister in Mechatronics starting from January 2022 onwards.

The programme features an on-top training focusing on advanced technical and organisational aspects combined with knowledge in management according to the German Meister Framework Curriculum and Training Regulations.
