

**Malaysian-German Chamber
of Commerce and Industry**
Deutsch-Malaysische
Industrie- und Handelskammer

Jobseeker Profile

Looking for Job as (Job designation + Industry – multiple possible):

- Industry (sector: Chemistry, Pharma, Food supplements and nutrients):
 - R&D Chemist
 - Analytical Chemist
 - Scientist
 - Project Management Chemist
 - open for a trainee position at the start
- Part-time teaching of chemistry classes at universities

Looking for a Job in (City/Country – multiple possible):

WP Kuala Lumpur, Malaysia
Alternatively Singapore

Education (Degree + (optional) University):

Dr. sc. ETH Zurich (Doctor in Chemistry and Environmental Sciences from ETH in Switzerland);
Master in Chemistry and Molecular Sciences from University Bern, Switzerland;
Bachelor in Chemistry and Molecular Sciences from University Bern, Switzerland

Work Experience:

- 4.5 years employment as a researcher at the Paul Scherrer Institute (Switzerland) during my doctorate
- Educational Work during my studies:
 - Research Associate at the Paul Scherrer Institute
 - Lab Course Supervisor at the University Bern
 - Tutor at Learning Institute
- Hands-on work during my studies:
 - Intern at Bioexam AG (testing laboratory for pharmaceuticals, cosmetics, food etc.)
 - Cashier at the supermarket during summer breaks
 - Intern in nursing care in two different hospitals
 - Part-time worker at the AmPuls Market Research AG in two different locations

Skills:

- Soft skills:
 - Project Management (currently following the online “Project Management Professional Certificate (PMP)” course)
 - Presenting and communication skills
 - Teamwork, collaborations
 - Exceptional analytical critical thinkings skills
 - Fast learning
 - Proven track of solving complex experimental challenges
 - Advanced Microsoft Office 365 skills
- Hard skills:
 - Method development
 - Design of a new experimental set-up
 - Large scale data processing in MATLAB with a code written from scratch
 - Experience in planning and conducting experiments at the particle accelerator (SLS, Switzerland)

AHK

**Malaysian-German Chamber
of Commerce and Industry**
Deutsch-Malaysische
Industrie- und Handelskammer

- **Techniques:**
 - XPS (X-ray photoelectron spectroscopy) and NEXAFS
 - MS (mass spectrometry)
 - STM (Scanning Tunnelling microscopy)
 - NMR (nuclear magnetic resonance spectroscopy)
 - HPLC-MS, UV-Vis spectroscopy

Language Skills:

German (native)

Tamil (native)

English (fluent in speaking and writing)

French (conversational)

Malay (currently studying)

Other Certificates:

Driving license; Currently following the Project Management course for obtaining the certificate

Nationality:

Switzerland

Work Permit:

Currently living in Kuala Lumpur on a **Dependent Pass**

What you think a potential employer should know about you:

Highly motivated and curious chemist with a strong background in physical and inorganic chemistry. Growing up within the rich intersection of the Swiss and Tamil Hindu culture has shaped a unique perspective, enhancing open-mindedness and adaptability. Passionate about applying scientific expertise to drive innovation in industrial settings.
