Work Experience:

IT Business Architect – BPW Bergische Achsen KG 01/2020 – Today
Current Job Description: Group IT Governance Auditor, IT Business Consultant International, SCRUM Master

- At BPW, I focus on expanding and managing the exchange with international subsidiaries.
 - My responsibilities include auditing, controlling, and further developing BPW IT governance.
- Additionally, I coordinate a high-impact project to transfer IT responsibilities from AMG AfterMarketGroup to BPW GFU IT (based in Wiehl).
 - Upon project completion, I will assume team coordination to ensure seamless operational continuity.
- Furthermore, I act as a co-Product Manager for the "Secure@BPW" product, delivering a comprehensive IT service package to subsidiaries, with a focus on regional management (Key Accounting).
- Since my love for agile methodology, I support internal BPW development teams as a proxy SCRUM Master and agile expert, driving efficiency and innovation.
