<b>Company Description</b>	<p>Picture any building, construction, or application, what comes to mind? We tend to be in awe of the visually imposing – arches that seem to defy the laws of physics, the wingspan of an airplane, or human-made mountains of skyscrapers reaching beyond the clouds.</p> <p>However, at Nord-Lock Group, we are all about what literally holds modern society together – safe bolted connections. These might not be top of mind or get the big headlines, but they are the unsung heroes in the story of our infrastructures so critical to modern life, the components enabling us to put things into the world that will last.</p> <p>Thanks to our global reach and local presence, during a period spanning over four decades, we have secured billions of bolted connections in millions of applications all over the world. Think Nord-Lock Group when the integrity of connected parts is critical.</p> <p>We established our office in Kuala Lumpur in January 2024, handling the Southeast Asia &amp; Taiwan region with a team of competent experts in our field.</p>
