What you think a potential employer should know about you:

I am a young man who has a lot of experience for his age in a leadership role. Over the past 8 years, I have worked in leading position for strategic and project-based procurement for a large construction company, developing a strong affinity for technology in the process. I am a team

player, quick thinker and constantly strive to improve myself. In addition, I am an empathetic person with the necessary intuition to react quickly to new challenges, which has often helped me in negotiations, in building long-term relationships with business partners and for employee leadership in recent years.

I am particularly excited about the opportunity to work in an international environment and to further develop my skills. I am convinced that I can be a valuable asset with my extensive purchasing and negotiation experience.
