What you think a potential employer should know about you:

Super Fast Learner and Results Oriented

I am a Malaysian Spouse Visa holder so the company that hires me won't need to pay for the sponsorship fee. This will help reduce costs to onboard me.

I just need to the company to provide me with the contract and relevant company documents to be passed to the Malaysian Immigration department for work approval.

*Please send your application to memberships@malaysia.ahk.de. Only shortlisted applications that are based in Germany or Malaysia will be considered. Applications with referral from an MGCC member company will be prioritised.
