What you think a potential employer should know about you:

I am easily adaptable, willing to learn, self-motivated and love to work with data. As an undergraduate from University Malaya in IR, I always welcome new opportunities in the field of International Relations/Affairs, International Business, or Cybersecurity where I am able to showcase my skills, further grow my career and contribute to the best of my ability to the organization.

\*Please send your application to [memberships@malaysia.ahk.de](mailto:memberships@malaysia.ahk.de). Only shortlisted applications that are based in Germany or Malaysia will be considered. Applications with referral from an MGCC member company will be prioritised.
